AUDITORS REPORT

Winchester, New Hampshire
February 2, 1971

Board of Selectmen
Town of Richmond
Winchester, New Hampshire 03470

GENTLEMEN:

It is with great pleasure that we again submit herewith our report of an Audit and Examination of the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1970.

The Financial Statements as listed hereafter are to be included as part of our report, however, only this letter of transmittal need be printed in your annual report of Town Officers. We would like to suggest that comparison be made of like reports prior to publication in order to avoid any differences that might occur.

Scope of Audit

The accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds, are included in our examination and audit.

Financial Statements

1. The Comparative Balance Sheets this year show a net debt balance of \$20,698.06, as compared with a surplus of a year ago in the amount of \$5,066.85. The reason for this, of course, is the long term borrowing of \$29,700.00 for capital improvements to your Town.
2. The Comparative Statement of Appropriations and Expenditures shows a net unexpended balance of Appropriations in the amount of \$3,736.22.
3. The Statement of Estimated and Actual Revenues shows a net revenue surplus in the amount of \$1,803.39.
4. The Net Budget Surplus for the fiscal year of 1970 amounts to \$5,539.61.
5. Summaries of the accounts of the Town Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds are also included.
6. A summary of the Long Term Indebtedness incurred during 1970 is also made part of this record and a copy of same should be included in the Annual Report of the Selectmen .

Audit Procedure

The Audit Procedure included comparing of vouchers and cancelled checks with supporting invoices and payrolls, as well as entries of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures were verified. Book balances were verified by comparison with reconciled Bank balances made from statements obtained from depository Banks. Uncollected Taxes were verified by mailing notices to a majority of the delinquent tax payers, as indicated by the Tax Collector's records.

Certification of Audit

This is to certify that we, the undersigned auditors, have examined and audited the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1970, and have found them in excellent order, and to the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the Town of Richmond, for the period under review.

Appreciation

We wish to make note of the very excellent record keeping done by the various Town Officers and their assistants, in that it makes our audit that much easier to perform.

Again, we thank all the officials of the Town of Richmond, for their kind assistance and cooperation during the course of our audit and examination.

Very truly yours,

Arnold B. Conway

On July 4th we took part in Richmond Community Day by holding a book and cookie sale and flea market. A profit of \$122. was realized. With this money a new 18-drawer card catalog was purchased. Another book and cookie sale was held later in the summer with a profit of about \$40.00.

The library sponsored two film programs during this past year.

We received the \$100 from the state Grant-in-Aid Program and used this to help purchase the 1970 edition of World Book Encyclopedia.

I have attended the four quarterly District Advisory Council meetings, two were held in Keene, one in Harrisville and the other in Sunapee. This year I was appointed Area Representative to the New Hampshire Library Association Executive Board. These meetings have been held in New Hampton, Concord and Guilford. It is very thrilling to be active in the Statewide programs — to take part in shaping the future of New Hampshire Libraries.

My many and sincere thanks go to all those who generously gave of their time and effort to make our two sales a success, also to those who have donated books and magazines throughout the year. Your continued interest is greatly appreciated.

REPORT OF POLICE CHIEF

I hereby submit my report for the year 1969.

This year because of the special interest and willingness of some citizens to serve the community your police force was enlarged by five special officers as follows: Everett Quintard, Peter Tandy, Robert Tweton, Frank Velez, and Lee Robbins.

These men located in different areas of the town have been constantly vigilant and have spent many hours patrolling back roads to cut down on vandalism and thefts in the community.

These men along with Chief Deputy Guy Packard, Roger Carrier, and Robert VanBrocklin, regular members of the force, deserve your appreciation and praise.

Your officers have been called to investigate 37 accidents and to assist in 6 incidents when vehicles were blocking traffic. They checked out 20 cars abandoned on the sides of roads or suspiciously parked .

Twenty-one times officers were called to the scene of disturbances.

There were 36 breaks checked by the local police with the assistance of the sheriff's department when needed.

An officer returned 14 stray dogs to their owners or placed them in the animal shelter as well as disposed of 3 dogs and cats killed by automobiles and left by the road side.

We were pleased to be called 9 times to investigate suspicious people. We would rather be called when things are only suspicious rather than when it is too late because a crime has already been committed.

Eight arrests were made. One rape case was investigated in co-operation with the Fitzwilliam police.

A police officer stood duty at all public functions held in town. During the summer the Town Beach area was checked each day.

During heavy traffic periods when the race track was open for nearly six months an officer stood duty at Four Corners.

On school days there was police protection for your children at the bus stop.

Chief Heise, Chief Deputy Packard and Officer Carrier attended a training course sponsored by the Sheriff's Department.

The department wishes to thank the citizens of the Town for their cooperation and solicit their continued cooperation in the future.

Respectfully submitted
Roy B. Heise
Chief of Police

REPORT OF FIRE CHIEF

I hereby submit my report to the Selectmen and citizens of Richmond for the year ending December 31, 1970.

The past year we have had two gas washes, one gas furnace fire, one brush fire, and one building fire. The last two fires were caused by negligence and could have been prevented. All burnable materials should be kept away from hot stove pipes, and all outdoor fires should be put out if unattended.

The new fire truck arrived November 2, 1970. It was taken to the Town Hall on Election Day (November 3, 1970) so the people could see what they obtained for their money. With the new truck insurance rates dropped to E3 classification retroactive as of December 1, 1970.

Fourteen members of the fire department attended courses given by Chief Robert Callahan at the station. They were taught how to run the pump and other apparatus. Two members took driving tests to obtain commercial licenses so there would be someone in town available at all times to drive the truck to fires. Six members of the department attended courses at Meadowood to improve their techniques in putting out fires, rescuing people, and giving first aid.

I would like to take this opportunity to thank everyone for their cooperation. I would like to thank everyone who gave up weekends and time with their families to work on the forest fire truck, putting it in shape to be used if necessary. I especially want to thank Meadowood and the surrounding towns of Swanzey, Fitzwilliam and Winchester for their help through our Mutual Aid System.

Respectfully submitted
Robert VanBrocklin, Chief

REPORT OF CEMETERY COMMITTEE

The plans of the Cemetery Committee were accepted as printed in the 1969 Town Report. The following is a progress report of the committee for 1970.

After lying out the perimeter of section No. 1 of the Earl R. Howard Memorial Cemetery Extension, we had the sawable timber removed from the tract for which we received \$46.50 which we hope to use for future work. Next, we donated the remaining firewood to local people who piled the brush as they worked. In order to have a clean burn, we tried to clear the outside edges into the center of the area in order to prevent heat damage to adjoining trees and monuments in the South Cemetery. Our plan also called for a sufficient drying period. In two separate burns, the brush was all burned, thanks to the really hard work performed by the Richmond firemen and an ambitious group of children to all of whom we are truly grateful.

We had a contractor remove all stumps and unburnt wood and section No. 1 was graded. Due to the lateness of the season, it was decided to allow the land to lay fallow until spring when we plan to finish the rest of our plans.

As to cost, we estimated \$800.00 for preparation of the site. It has cost \$632.00 to date, excluding relaying of the front wall, so we seem to be well within the limits of our proposed budget.

The procurement of the balance of the materials needed has been investigated, and we are looking forward to spring so that we can proceed with our plans.

Respectfully submitted

SELECTMEN'S REPORT

Your Selectmen held fifty-six (56) public meetings at their office in the Town Hall last year. In addition, they met some twenty-two (22) other times for purposes such as assessing, laying out roadwork, etc. The Board issued eighteen (18) building permits, in some cases visiting the building sites if this seemed necessary. The Board has attempted to resolve all new cases in which the Town's Zoning Law had been broken, and in one case had to order a new building relocated. Because no one has been willing to accept appointment to existing vacancies, the Board has collectively functioned as the Town Health Officer, and the Chairman has acted as Civil Defense Director. In one case, as Health Officer, the board has had to warn a property owner concerning an apparent health hazard from poor sanitary facilities.

At the request of Tree Grower's, Inc., The Board met with their President, W. B. Parker, to discuss the development on the Morgan Road and to set minimum town standards for the roads in the development. Meetings were also held with officers of our Police Department concerning housebreaks, and five (5) special officers were appointed, who have done excellent work in patrolling at no cost to the town. They are: Robert Tweton, Frank Velez, Leland Robbins, Evert Quintard, and Norman Tandy. In addition, meetings were held with the dealer regarding the ordering of the new Fire Truck.

A great many hours were devoted to assessing the town, including a number of visits to homes. The Selectmen were in attendance at the polls for three elections this year, and spent numerous other evenings representing the town around the school district and county at meetings with regard to the schools, welfare, health, law enforcement, and other matters.

REPORT OF THE PLANNING BOARD

FOR 1970

The primary effort was to develop amendments to the Zoning Ordinance to make it less restrictive and more protective. A particular attempt was made to encourage citizens to attend our meetings and to express themselves. As a result, many misunderstandings about zoning were corrected so that several amendments were voted with substantial margins at the Town Meeting and a petition to eliminate zoning was defeated by a vote of 73 to 30.

Subsequent to its being authorized by vote of the Town to regulate subdivisions, the Board devoted much of its time to considering these. A particular effort has been made to simplify the procedure for residents who wish simply to sell or to give away part of a lot. Contrary to the practice of other towns, the Board has ruled that the sale of a lot or tract of record, even when part of a larger holding, is not a subdivision. On the other hand the Board has given close scrutiny to commercial subdivisions for which we have had two applications. Tree Growers, Inc., subdividing the Morgan Tract of 440 acres into 35 lots totaling about 100 acres and leaving some 340 acres of open but taxable space has been approved as far as it has gone. Another proposed subdivision involving 285 lots on 50 acres to be sold for recreation vehicles was withdrawn after consultation with the Board.

Subcommittees to expand the work of the Board were appointed: Cemetery Committee, Doris Van Valzah, Chairman, Harry J. Bennett, Leonard and Valma Davis, later disbanded to be a committee of the Town; Crime Committee, Norman E. Tandy, Chairman; Committee for a Community Church, Frederick M. Gilbert, Chairman, later disbanded following the appointment by the Richmond Community Church of its own committee; Committee to bring the Town History up to date, Harold J. Dickinson, Chairman; Conservation Committee, Harry J. Bennett, Chairman; Sign Com-

mittee, Doris Van Valzah, Chairman, Frederick M. Gilbert, C. Richard Webber, responsible for 17 street signs.

Contributions have been received from Mrs. August Burns, \$25 towards clearing Cass Pond of algae, to be held until a sufficient sum is available; Mr. and Mrs. Harry J. Bennett, Mr. and Mrs. Arthur E. Stinson, Col. and Mrs. Philip D. Orcutt, \$25 each for legal expenses.

Expenditures have been \$46.61 for legal notices and letters to citizens. Receipts have been \$60 from fees from commercial subdividers.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture—to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation prior to 9:00 A. M. and after 5:00 P. M. with the following exceptions:
Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.
2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

State	484 fires	244 acres
